

# THE TIGER TIMES

## Tiger Highlights – Worth Roaring About!

This school year is ending with a bang! A huge thank you to the WAA for organizing a first class Athletic Banquet. Thank you as well to the Band Executive for organizing an outstanding BBQ last Thursday. Being a Tiger also means being visible in our community and I wish to commend the students involved in the Spring Fling at Woodroffe Avenue PS on Friday as well as the musicians who performed at Dovercourt on Saturday. Congratulations to the Media Arts students who participated in the Adobe Youth Voices program. The Best Ottawa Project Award went to Jason Bradley, Lindsay Pritchard and Laurence Facun for their video on bullying. Great events to celebrate the quality of programming Woodroffe offers its students.

Finally, a special mention to our Tiger Athletes competing at OFSAA this past weekend. Yassin Mohamoud registered a distance of 11.92m in the Men Triple Jump (Midget Category). This is an amazing accomplishment given that Yassin started practicing this discipline less than 6 weeks ago. Last but not least, our Sr. Boys' Soccer Team represented us well at the provincial level by capturing the silver medal in a most exciting championship game. The Tigers dominated the tournament by allowing only one goal against during regulation time. What a season this has been for Tiger Athletes. Thanks for the exciting memories!

This will be the last Tiger Times for this school year. I wish to thank all students, staff and parents for a great year. Have a great summer!
